ALL-NEW RENAULT CAPTUR

100 % new,
100 % Captur

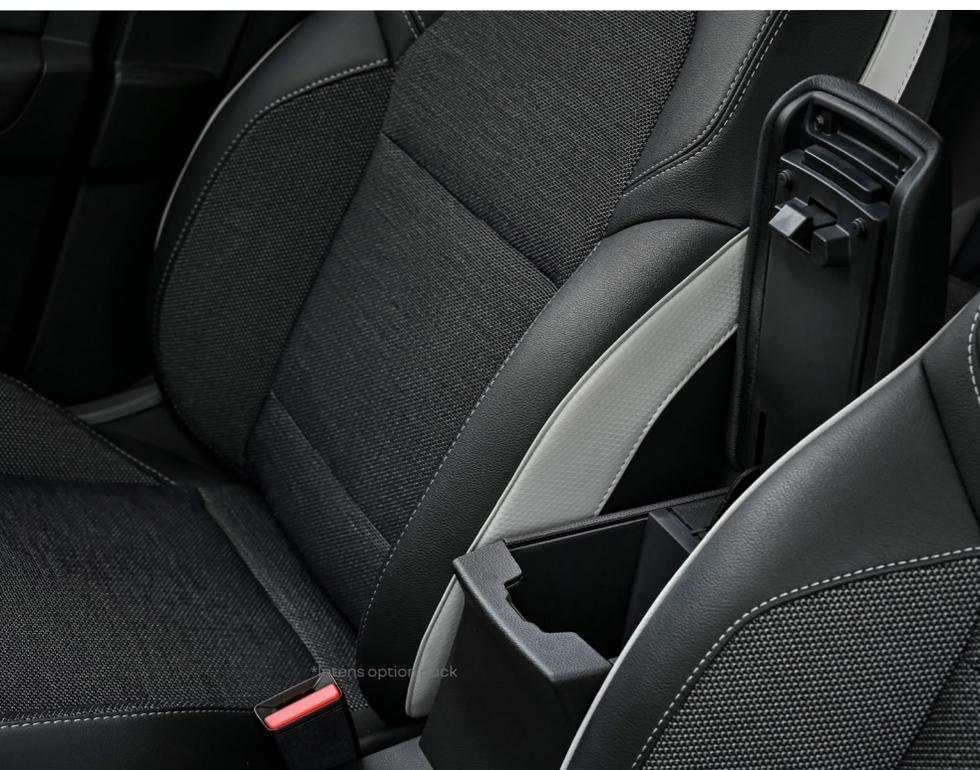

The SUV with athletic lines

Sculpted sides, athletic shoulders and wheel arches, front and rear protective skid plates, wider grille, expressive bumper and chrome inserts... All-New Captur asserts its SUV look.

Front and back, All-New Captur is even more elegant thanks to the enhanced curvature of the vehicle and stylish signature C-shaped LEDs.

Features and images may vary and be optional depending on model, and are subject to change without notice.

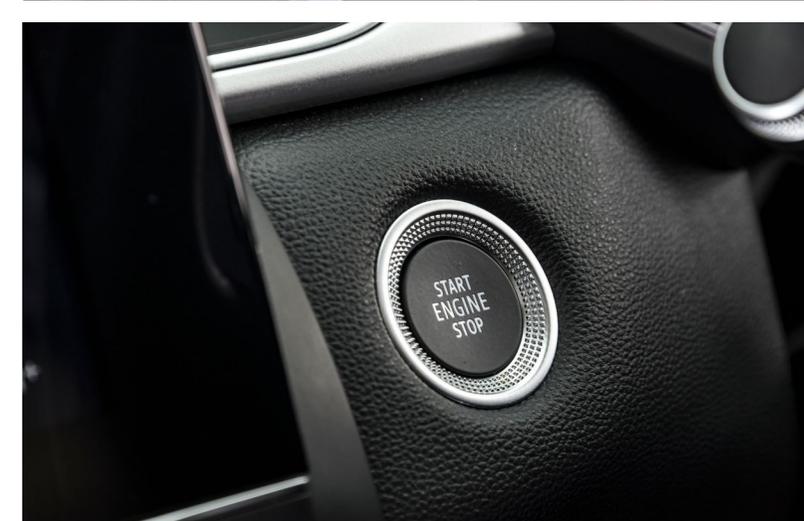

an interior revolution

First impressions on board: exceptional interior design, foam coverings, quality finishes, etc. All-New Captur has been revolutionised to give you a great sensation of well being.

It features an all-new Smart Cockpit with a 9.3" driver-oriented multimedia touchscreen, customisable 7" digital instrumentation, a unique floating console with a futuristic «E-shifter» gear lever within easy reach, clever storage space, and much more.

Prices and images may vary and be optional depending on model, and are subject to change without notice.

make your style even more unique

Stand out from the crowd! The All-New Captur reveals the best of Renault know-how. With its distinctive design, chrome grille and stylish rims, top-of-the-range materials with exclusive construction, steering wheel in foamed leather* and advanced technologies, it marks its difference!

* Intens model

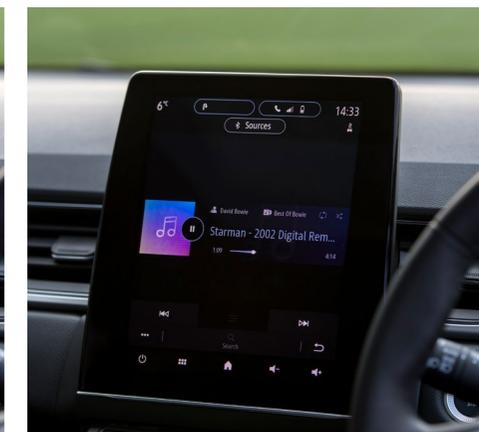

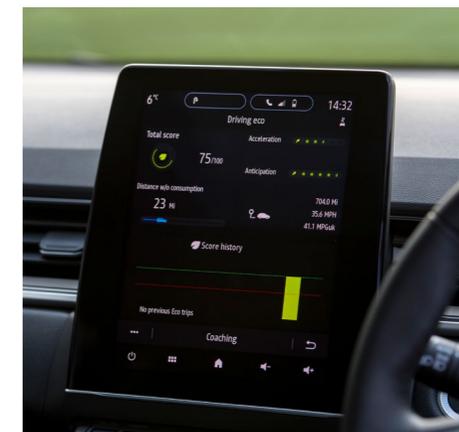

a connected journey

Thanks to the new Easy Link multimedia system, get access to connectivity that's as advanced as it is simple to use. Its 9.3" touchscreen is compatible with Apple CarPlay™ and Android Auto™, allowing you to mirror your phone in your vehicle.

tailor made sensations

All-New Captur offers a driving experience that adapts to your desires at all times. Thanks to multi-sense technology, customise this experience: eight ambient lighting schemes, three driving modes, numerous seat positions, air conditioning and much more.

the best in modularity

Benefit from generous space and equipment designed to offer you maximum comfort. Enjoy the largest boot volume in its category (up to 536 litres) and an ingenious modular layout provided by the sliding bench seat extending by over 16 cm.

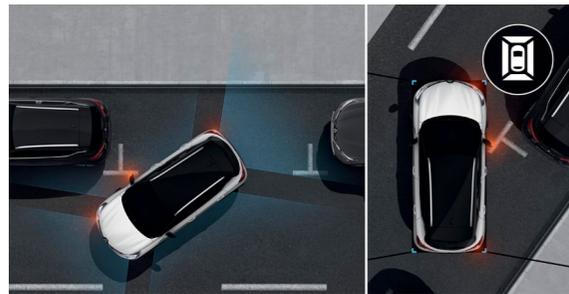

Need to transport long or bulky objects? Make room in the rear with the folding rear seat to benefit from a big total space of 1,275 litres.

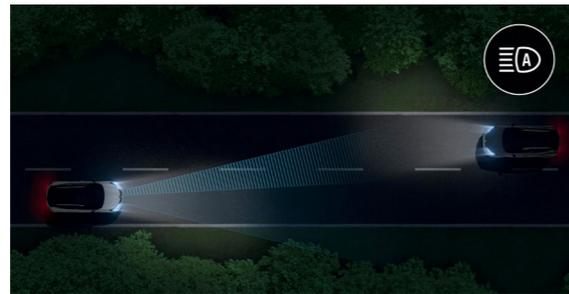

Features and images may vary and be optional depending on model, and are subject to change without notice.

at the cutting edge of technology

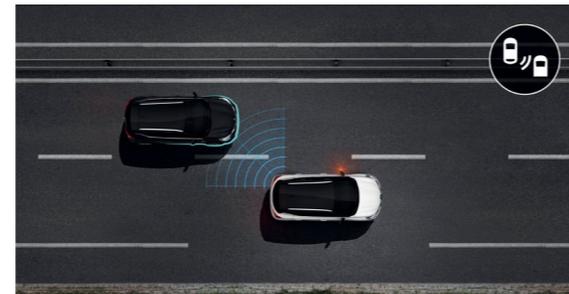

For a safe driving experience, All-New Captur is equipped with technologies at the highest level and paves the way for autonomous driving.

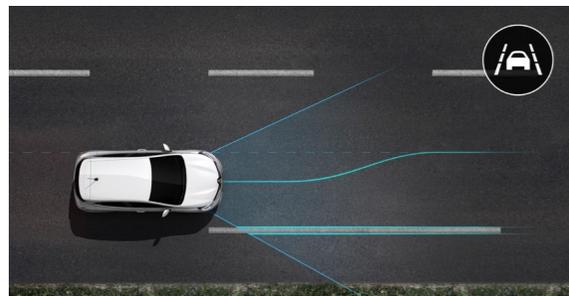

1. Reverse parking camera

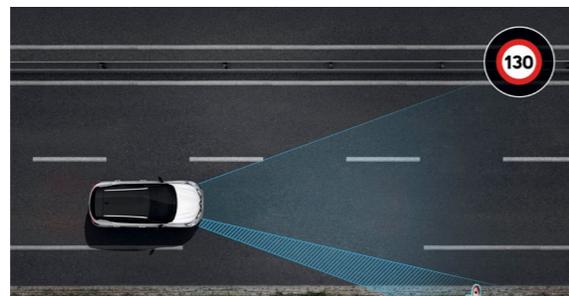

2. Pure Vision LED headlights

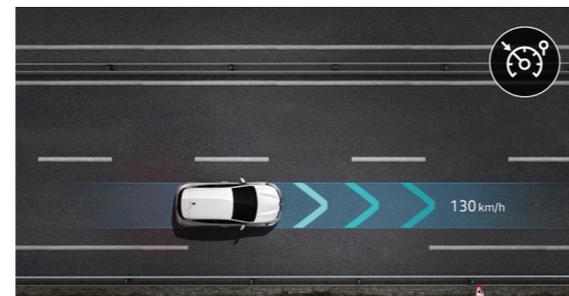

3. Blind spot warning system

4. Lane Departure Warning

5. Speed warning with traffic sign recognition

6. Cruise control / speed limiter

1. With its reverse parking camera & sensors it guides you through the tightest manoeuvres. The system includes front parking sensors.

2. All-New Captur is equipped with powerful Pure Vision LED headlights with automatic high-beam switching for improved visibility. You automatically switch to dipped beam headlights as soon as you enter a built-up area or approach another vehicle from the front or from behind.

3. The blind spot warning system is an indicator light located on each of your door mirrors which will warn you when a vehicle enters your blind spot.

4. Lane Departure Warning and Lane Keeping Assistant warn you and correct the trajectory if you cross a line without using the indicator.

5. Speed warning with traffic sign recognition informs you of speed limits using a camera and offers you the opportunity to adapt your speed.

6. Cruise control / speed limiter sets your speed or your maximum speed. Steering wheel controls allow you to set parameters in a few instants.

7. The new Electronic Stability Control (ESC) and ASR (Anti-Slip Regulation) active traction control. Ensure the vehicle remains stable even in difficult road conditions.

8. Anti-lock Braking System (ABS) with electronic brake distribution (EBD) combined with emergency brake assist (EBA) to maintain trajectory control in the event of hard braking.

7. Electronic Stability Control (ESC)

8. Anti-lock Braking System (ABS)

Features and images may vary and be optional depending on model, and are subject to change without notice.

accessories

1. Transversal Roof bars. Easy and quick to fit without any tools using the innovative QuickFix mounting system. Ideal for transporting a bicycle rack, or roof box and increasing the vehicle's load capacity. These are original Renault parts that exceed the requirements of safety and strength standards and norms.

2. Air deflectors front. Drive in complete comfort with the windows half-open while avoiding air turbulence and draughts. Discreet and made-to-measure, they stand up to car wash rollers and bad weather. Does not obstruct door mirror visibility.

3. Mudflaps. Add some mudflaps to your New Captur to protect the vehicle and avoid any flying debris. Effectively protect the lower part of the bodywork against water splashes, mud and gravel.

4. Shark aerial. Add a touch of sporty elegance to your Captur with this aerial, perfectly integrated into the shape.

5. Illuminated door sills. Captur & non-illuminated option. Optimise your New Captur to its full potential thanks to the illuminated door sills. The Captur branding certainly provides stylish protection to vehicle access.

6. EasyFlex all-in-one Bootliner. Take care of the rear space of your vehicle with EasyFlex boot protection. Waterproof and anti-slip, it adapts to all configurations.

7. Swan neck towbar. Towing have never been so simple thanks to a swan neck towbar. Open new possibilities when you choose the right equipment. Maintains the aesthetics of your Captur once the ball is removed.

Renault Care

we strive to provide you with the highest level of after sales service so you can continue to enjoy your Renault ownership journey

5 Year / 150 000km Warranty peace-of-mind comes standard

The Renault Warranty comes standard with every new vehicle, covering the costs of repair of any unexpected electronic or mechanical malfunctions, for a period of up to 5 years or 150 000km, whichever comes first.

Refer to the warranty booklet

Service / Maintenance Plans standard or tailor-made options are available to suit your needs

A Service Plan is a cost-effective way to cover your Renault's scheduled service programme, giving you full peace of mind for the duration of the Service Plan.

Purchase or upgrade your existing Service Plan to a comprehensive Maintenance Plan that not only covers the cost of your Renault scheduled service programme, but also covers the replacement, maintenance or repair of specific wear-and-tear items*.

The key benefits of a Renault Service Plan or Comprehensive Maintenance Plan are:

- | | |
|---|--|
| 1. added value
Service and Maintenance Plans are costed at preferential rates as well as offering protection from inflationary increases for the duration of the plan. | 2. full peace of mind
Only genuine parts are used. |
| 3. Renault expertise
Renault qualified technical personnel will attend to your vehicle. | 4. protect your warranty
All workmanship and parts warranted by Renault. |
| 5. cost of wear & tear items covered (Maintenance Plan only)
Items covered: Clutch, exhaust, globes & fuses, shock absorbers, drive belts, battery, wiper blades, brakes. | |

*T's & C's Apply. Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc.
